#### **Business After Hours**

Just a reminder that there is a Business After Hours at the Chocorua Camping Village across Route 16 from Barton's Motorsports on Tuesday, June 11 from 5 to 7 p.m. It is being co-hosted by Linda's Flowers, now of Wolfeboro. Stop by for some hot dogs and hamburgers and drinks and a way to kick off the summer season (and hope for good weather!). If you're lucky, Lee will give you a personal tour of the campground on one of the golf carts! FMI, call the campground at 323-8536.

#### **Coffee House/Open Mike**

Valentino and Elaine Curley of Joshua Tree Bakery will be hosting an open mike for musicians starting this Friday from 6 to 9 p.m. If it works out well and we get a lot of people showing up for coffee, tea, and the entertainment, we'll try continuing every Friday throughout the summer. Stop by for baked goods, drinks, and a variety of local musicians showing off their talent. If you have an instrument, bring it and jam with the other musicians, if you'd like! FMI, call 879-0615.

#### **Biking group**

Jim Morris, of Effingham, has started a local biking group for group rides on Sundays. He has mapped out a variety of rides of varying distances that people can take together (if you're one of those people like me who needs the motivation of others to get on the road). This Sunday, the group will be meeting at the King Pine Ski Area. Jim asks people to park on either the left or right of the gray building, away from the building, so as not to interrupt their Sunday business. Visit [gmrollers.ning.com](http://gmrollers.ning.com) for more information! Happy riding!

Eastern Propane & Oil invites the public to attend their Customer Appreciation Event & Open House from 10 a.m. – 2 p.m. on Saturday, June 14 at their Tamworth facility located at 450 White Mountain Highway. ## Danforth Bay Camping & Bluffs RV Resorts Receive Highest Rating

Danforth Bay Camping & RV Resort and the neighboring Bluffs RV Resort for active adults have both received 5-star ratings from Woodall's Media Company, publishers of the North American Campground Directory for over 70 years. This is the directory's highest rating and represents fewer than 3% of the privately-owned campgrounds and RV parks listed in the 2008 guide. There are two possible category ratings for the directory: "Facilities" and "Recreation". Danforth Bay and the Bluffs have received 5-star ratings for both

## Radio advertising with WOKQ/WPKQ

Deb Moffett of WOKQ/WPKQ has approached the chamber with a discount pricing package specifically for our members. There are lots of options, so call the office to get a packet, or the after hours because I will bring them there, too. Otherwise, call Deb at 749-9750 for more detailed information. With the price of gas going up, there will be more people listening locally who will hear about your business over the radio. They have a huge coverage area from near Montpelier, NY to almost all the way to Lewiston, ME. It looks like she has reduced the rates from \$38 to \$35 for 60-second spots. Packages that are priced at \$500 should be compared to \$750, she said. Give her a call and talk to her. This is one more example of what we're doing to help our members!

## Tamworth Farmers Market

You can tell when summer is here because the farmers markets start opening up. This Saturday, the one in Tamworth will start up at its old location in the parking lot of the Unitarian Church at the intersection of Route 113 and 113A in Tamworth

Village. There will be lots happening in Tamworth that day, so stop by in the morning!

Sincerely,
