"Ossipee Valley News"

Hey folks,

Summer must be here because it seems like just yesterday that I was writing last week's newsletter! Well, hold onto your socks, because I think it is definitely here, with Father's Day quickly approaching and Bike Week starting. Please make sure to get your info to the booth if you haven't already done so - the booth will be open 7 days a week starting the last week of June. Thank a volunteer when you get there! The after hours co-hosted by Chocorua Camping Village and Linda's Flowers was well-attended despite the heat and humidity and threatening rain. Next month's will be at the Province Lake Golf Course in Effingham. Get a car pool started...I realize it's a bit of a drive for many of you. Happy summer!

Music throughout the week

If you're into music, there are quite a few options this week, starting with the *open mike* at Joshua Tree Bakery on Friday (and continuing every Friday after that), followed by *karaoke* at the River's Edge Tavern and Grille (golf course) in Center Ossipee on Saturday evening from 7 to 11 p.m., and culminated with *Nashville in the Mountains* Wednesday and Thursday, June 18 and 19. The show once again is at the Brass Heart Inn's barn with food and a cash bar sold separately. Food sales start at 5:30 and the show starts at 7 p.m.

Randy and Cheryl Hayford announced recently that they are extending a special deal to chamber members only: buy one ticket to either Wednesday or Thursday's show and get a second ticket free! Headliner is Billy Yates, who has written many gold and platinum hits for some of the biggest names in country music. He was recently named Male Vocalist of the Year by the Country Music Association of Europe, "a mega-international award," Randy said. "He is an artist who normally performs for thousands of people. To have him here in an up-close and personal setting is truly an honor!"

The GOACC is sponsoring the Thursday show, so proceeds from that show will benefit our chamber - an added benefit! There will even be a bonfire that night!

Tickets are on sale at the Yankee Smokehouse and other locations around the area, including the Double-H-Farm (www.double-h-farmproductions.com) at 539-5547.

Writers night in Effingham

And if you're more into poetry and the written word, stop by the Effingham Public Library this Thursday night to listen to local writers and musicians share their talent from 7 to 9 p.m. It's a wonderful evening with free snacks and drinks, too. For more information, call the library at 539-1537.

Penny sale for OCC

Ossipee Concerned Citizens, which is funded through the town and donations, is having one of its big fundraisers Saturday, June 14 at the Ossipee Town Hall. A great way to get things at a bargain and help a local organization, the penny sale preview of donated items runs from 4 - 6 p.m. with tickets being pulled starting at 6 p.m. at Ossipee Town Hall. FMI, call 539-6851.

Kokopelli moving sale

Our newest member, Kokopelli (jewelry sellers), will be moving from their current location across from Stone House Country in Ossipee to its new location by MainGas in West Ossipee (that big building that is being renovated right now). KOKOPELLI would like to thank all of you for making his stay in Ossipee so wonderful. This summer KOKOPELLI will relocate to a much

larger permanent home on Route 16 in West Ossipee approximately 9.5 miles north of his current location at 1030 Route 16 (next to Green Mountain Furniture). According to them, this will be the largest KOKOPELLI ever and will allow him to
