### "Ossipee Valley News"

Hi folks,

Happy sunny day! In addition to everything below, I just wanted to give everyone a head's up that in the near future, via email to those who have it, I will be sending out a new, updated copy of the chamber's **bylaws**! Yes, various members of the board put **MANY** hours into reviewing them and updating them, but we need your vote eventually. A copy will be sent out to as many people as possible **via email**, and then paper copies will be sent out to those who do not have email. **Please respond to this email** to verify that you are getting my emails. This would be greatly appreciated! It's your chamber and your bylaws, and there are **LOTS** of changes that might affect your membership, so **PLEASE** read through them when you get them.

### Golf Tournament News

Carol Gartland of the chamber's scholarship golf tournament sent me the following: "The chamber is holding a golf tournament Friday, Aug. 22 to raise funds for the scholarship fund. Indian Mound Golf Course has graciously agreed to host the tournament again. Registration starts at 7:30 a.m., with Shotgun, bestball start at 8 a.m. Businesses in the 6-town area (whether in the chamber or not) have the opportunity to sponsor tees or greens for \$100, \$75 of which goes directly to the scholarship fund. The other \$25 can be a gift certificate to the business, or we purchase gift certificates to the pro shop that get raffled off at lunch. Golfers can enjoy 18 holes on the links with tee, cart and lunch included for \$85 and know they are helping a great cause! Thank you to everyone who has sent in sponsorship forms. For those of you who haven't sponsored before, I will be contacting you directly for artwork for the tee signs. If you don't have camera ready artwork we can put the company name and phone number on the sign in your choice of color. Time is running short, please send your forms today. We don't want to leave anyone out who wants to be part of this great event. If you would like to participate, please contact Ron at 603-986-4866 or Carol at 603-998-3587. Volunteers are still welcome for watching the hole in one tees and greens, registration desk and raffle ticket sales.

### Fourth of July statistics from the state

Travelers from around the state and beyond enjoyed the four-day holiday weekend in New Hampshire. Traffic through the

New Hampshire toll system on the 4<sup>th</sup> of July Friday was up almost five-percent compared to last year. Many lodgings and campgrounds were booked to capacity and attractions throughout the state reported very strong attendance and in some cases record weekends. State Parks were very busy and the Tram and Flume at Franconia Notch State Park had a good showing as well. The nice weather and variety of fireworks and activities contributed to a successful holiday weekend and bodes well for the rest of the summer. As always, travelers interested in attending the many fairs and festivals in the state can check out the [events calendar](#) on [www.VisitNH.gov](http://www.VisitNH.gov). If you are planning on staying overnight or for the long weekend, be sure to check out our [gas-saving offers page](#) for discounts, vouchers and gas card specials available throughout the state.

## **Business seminars**

Many times I get announcements about business seminars in the southern part of the state and then wonder if anyone would be interested in attending them if they were closer to home. Many organizations, such as the Small Business Development Center, the Consumer Credit Counseling Service of NH/VT, and the Wentworth Economic Development Corporation all put on seminars and classes to help out small businesses. Please let me know what interests you, and if there is enough interest among the group, I will work to get some organized. The office space has recently been expanded and repainted, so it can be used as seminar space if needed. I look forward to hearing from everyone!
